PPP

We got the money! WE GOT THE MONEY!! Am I excited. Yes. YES!

Thank you Angie and Tom for making that happen. You both get extra stars in heaven.

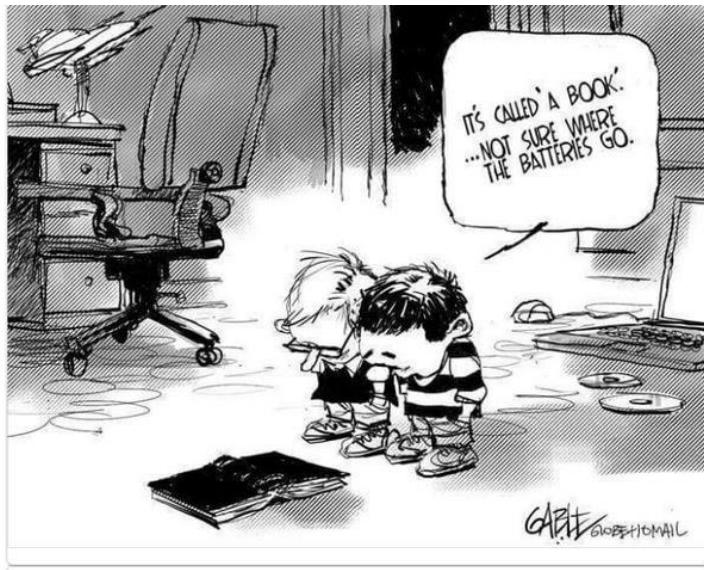

VPT (Virtual Programs Team)

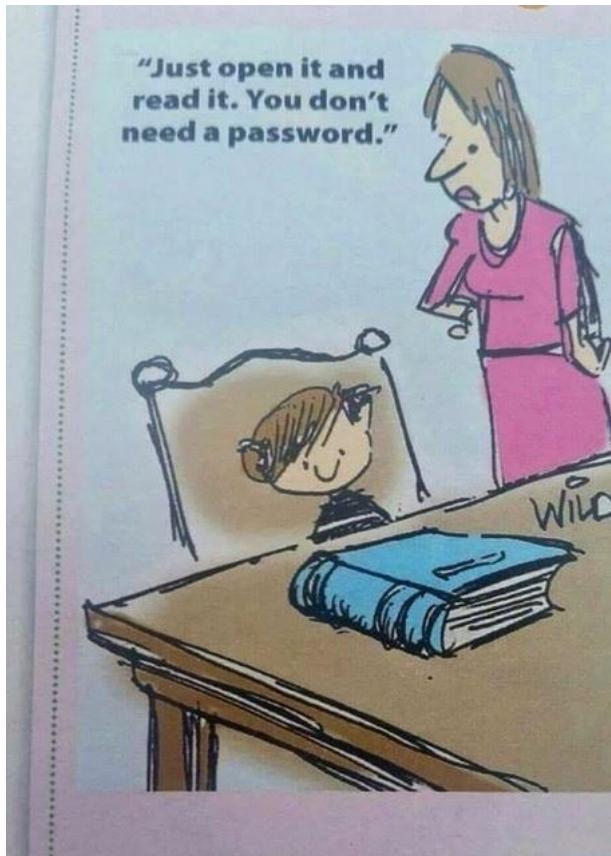

VPT had its first organizational meeting today. They have the charge of getting Gateway residential program ready for an online environment by June 13. First test is in two weeks. Members are: Amenie, Cheryl, Carole, Tammy, Jenny, Bob and 2 trainers to be named this week. This is a very exciting initiative and thank you Carole for heading up this effort and for all the members who will make this happen.

Humor from Romania

Petru Stetin sent Carol Monroe good news about their Romanian Online Chapter. He wrote, "Everything went smoothly and lasted for two hours. Amazing for me was a participation from all over Romania and 3 of them were from France, UK and Spain. We had many people participating for the second time and some of them for the first time. This shows that online chapters are of perspective even after the end of this pandemic.

He also sent this series of cartoons. They made me smile...

"No joystick? No mouse? No keyboard?
How do you turn the pages?"
